Thank you to everyone that donated candy, snacks, water, or time! We hosted another successful Trick or Treat Street for the Fishhawk Community!

Thank you to everyone who volunteered to help! We could not put on this show without you!

### Cookie Dough Delivery & Distribution

Cookie Dough is projected to be delivered at Newsome on December 7th, however, there is a possibility the company will need to push our delivery date back. If your student has a small order, they can take it with them after school. Otherwise, please pick up your student's cookie dough order between 3:30pm and 5:00pm on 12/7. The dough is frozen/refrigerated and cannot be kept at school.

### Poinsettia Delivery & Distribution

We hope to have the poinsettia's delivered before the Winter Concert. Once we have a confirmed delivery date, we will communicate that for order pick ups.

### Winter Concert

Please be on the lookout for the SignUpGenius. We will need a few adults to help make the concert a success.
